Package Food: A great activity for individuals & families, groups/organization, celebrations & and recognitions (birthday, family, corporate). In 2010 we hosted over 4200 local volunteers contributing to over 14,000 volunteer hours! You have 3 choices for packaging:

PUBLIC SESSIONS: Held first Saturday of the month from, 10-12 AM and third Monday, 6-8 PM at the warehouse. Register online up to 10 volunteers at a time. Each volunteer feeds 270 children with an *ingredient* cost of \$54 – donations are desperately needed so that we may feed as many children as possible.

PRIVATE SESSIONS: You determine the schedule for your group of 10-100 volunteers to package at the warehouse. Set a goal for the meals you wish to package and we'll help you determine how much to raise, remember, our meals are just 19.8 cents! Then fundraise (we can help you with ideas) and schedule your session. Donations for ingredients costs will be accepted before your session to determine the meals to package.

MOBILE SESSIONS: We'll come to you! Pick the date, time, and location, we are completely flexible. Minimum of 40 participants within city limits (outside of city limits, a min. of 60,000 meals is required). The cost is 23 cents/meal. 50% of costs are needed 2 weeks prior to the event with the remainder needed at the start of the event.

Mobile Team

Be part of this exciting new opportunity to take the mission of Kids Against Hunger all around town (and eventually the state). This is a start-up opportunity – our goal is to complete one mobile event each month. Work with the warehouse manager to load the truck; unload (with help from the site); oversee the session; load the truck to return to the warehouse; unload at the warehouse.

ADULTS – TEENS

5-6 hours/month

Prison Team

Another great start-up opportunity taking mobile packaging events to inmates. In Florida – packaging events such as this saw life-changing results while producing nearly 3 times the average meals of a packaging event held in the warehouse! Take this program from inception to implementation. We plan to hold our first session in 2011 but need to begin planning now!

ADULTS Planning 1-2 hours/month

Sessions – 3-4 hours/once or twice/year
