

Kids Against Hunger®

Corporate Sponsorship Opportunities

Tired of the same old corporate outing? Boring award dinners? Looking for a meaningful, hands-on volunteer program for your employees to impact our community and beyond?

Kids Against Hunger is your solution! We host a variety of corporate events accommodating groups up to 100 participants. Whether it's recognition or team building event, your employees will leave energized and enthused by their accomplishments. Want to include families? No problem, volunteers need to be 5 years old (or older!). As a non-profit organization, we raise the funds to purchase ingredients used in our packaging sessions. Each volunteer packages \$27 worth of ingredients every hour. Groups across Lincoln and surrounding areas participate in 8-14 events each month. Adults, children – teenagers, even therapeutic groups come in to package as a rewarding experience.

Here are a couple ways to get involved:

- I. **Schedule a packaging event.** Company-wide to break down the barriers (everyone wears the same hairnet!), by department (run a competitive session amongst departments), bring in food, include families - hold a pre-session meeting in a neutral environment before or after your event. You can schedule an event during business hours or after hours to meet your unique goals. We even come to you – and offer complete flexibility on date/time/number of participants. A typical session is 2 hours however; you may set it up according to your needs. Ask employees to contribute a percentage or cover the costs as a corporation. \$62/person to cover the ingredients, \$68/person includes a Kids Against Hunger T-Shirt.
- II. **Hold a company-wide fundraiser and match raised funds.**
- III. **Sponsor volunteers within our community.** There are several groups packaging on a regular basis with no means to cover the costs of their ingredients or to fundraise. Ranging in ages from young children, teens to seniors. As a Corporation you also have the option to contribute on a monthly basis to Lincoln Kids Against Hunger allowing us to provide meaningful volunteer opportunities within our community for children as young as 5 years old.

\$5400/year - Sponsors 16 volunteer children, seniors to package each month
