

Welcome to Lincoln Kids Against Hunger!

We look forward to your upcoming session. The packets you'll be preparing have been developed by some of the world's leading food scientists at Cargill, Pillsbury, General Mills and Archer Daniels Midland. Each packet you prepare provides *six nutritionally-complete servings* to feed the hungry here at home and starving children around the world. If this is your first time to the warehouse, please go to the download section of our website you can watch a video that explains the packaging process. You'll be amazed at how quickly you can make a difference – EACH volunteer packages approximately 270 meals (in a 2 hour session)! Best of all, each meal is just 23 cents – even at such an unbelievable price, 270 meals per volunteer adds up to \$62 of ingredients.

What do we do with the food you package? Great question! We meet local requests for food first by partnering with other non-profit organizations. After a natural disaster strikes, we are ready to ship food such as after earthquakes, flooding and hurricanes. The remaining food is shipped internationally and distributed by non-government organizations to those in desperate need.

A couple reminders: Dress for the weather and wear comfortable shoes, our floor is concrete, there is no air-conditioning and heat is kept to 65 (layers are recommended). Children should be at least 5 years old to package. Please keep in mind the following ratios for adults/children: **Children 5- 9** need 1 adult for every 6 children; **10- 14** need 1 adult for every 10 children; **15+** need 1 adult for every 20 children.

Directions: 2316 Kimarra Court - We are located south of Cornhusker on the west side of 27th Street (near State Fair Park Grounds). If you are south of Cornhusker, take 27th Street and turn left (west) at the end of the overpass (Theresa Street), make an immediate left onto the access road running parallel to 27th St. (going South). Take your first right onto Kimco and at the next stop sign take a left into the warehouse parking lot. You will see a Kids Against Hunger sign in the lawn in front of the warehouse.

In-Kind Donations Needed: *Paper towels, cleaning supplies, toilet paper, hair nets, hand sanitizer, boxing tape, batteries, sharpies, basic office supplies*

Thank you,

Lincoln Kids Against Hunger

A non-profit organization harnessing the power of volunteers ages 5+ to feed the hungry locally, nationally, and the starving globally!
