

Lincoln Kids Against Hunger

A 501(c) (3) organization harnessing the power of volunteers ages 5+ to feed the hungry locally, nationally, and the starving globally

Thank you
for a
record breaking year!
131 Sessions
+
9856 Volunteer Hours
=
1,432,896 Meals

Bringing our total to 6,221,141 meals since we began in September of 2006! Some 2012 highlights:

Tekamah, Nebraska and surrounding communities held their 5th annual packaging event

First Evangelical Church held their 2nd Advent Event raising nearly \$60,000 and packaging 220,800 meals, the second largest event in our history

Lincoln Northeast students raised \$5500 and packaged 31,200 meals at their school

Our First Annual Huskers Against Hunger Event held at the Pershing Auditorium provided 715,800 meals (a 2 day event in collaboration with the UNL Greek System 1500 volunteers!)

We continued and expanded our Therapeutic Groups Program (in partnership with local non-profit organizations packaging as therapeutic/rehabilitative sessions).

As we celebrate last year, we are reminded on a daily basis that the best has yet to come. You see, locally too many families simply don't know where their next meal will come from; across the US there has been record destruction which equates to an increased need; globally, 30,000 children perish each day from hunger – a number that is again on the rise. Let that last number soak in, 10 million children *suffer an intolerable death* every year. Not statistics - innocent children whose parents, grandparents, aunts & uncles love them as we love our families. The best has yet to come? YES! That's when we report that there are no more children waiting in line when the food runs out; mothers and fathers won't witness their tiny babies slowly and painfully starve to death; and NO child in our community and country will go to bed hungry! But we must have your help.

None of us know what 2013 will bring us personally – but the orphans of the world, all 143 million of them wonder if this is the year they perish; *or with hope, is this their record breaking year?* On behalf of the children we serve, the children and families we so desperately wish to provide the simple justice of having food to eat, I must ask for your continued financial support. **Please help us continue our life saving mission to eradicate the inhumanity and ugliness of hunger. Please donate today: online or in the enclosed envelope. Thank you!**
